Capped Oil Price and Oil Prebuy Programs

Hummelstown Fuel Oil Service is once again offering our customers a Capped Oil Price Program. This is a program that establishes a ceiling on your price per gallon for your heating oil. This means that your price per gallon will not go higher than the cap amount.

This program runs from October 1, 2021 through March 31, 2022.

The Prebuy is a program where you purchase your gallons now. The prebuy is for the gallons we estimate that you would use between October 1, 2021 and March 31, 2022.

If you are interested in either program, please give us a call at (717) 566-0422 or email at office@hummelstownfuel.com.

As soon as we have pricing information, we will send you more information.
